

ARTY ELECTIVES

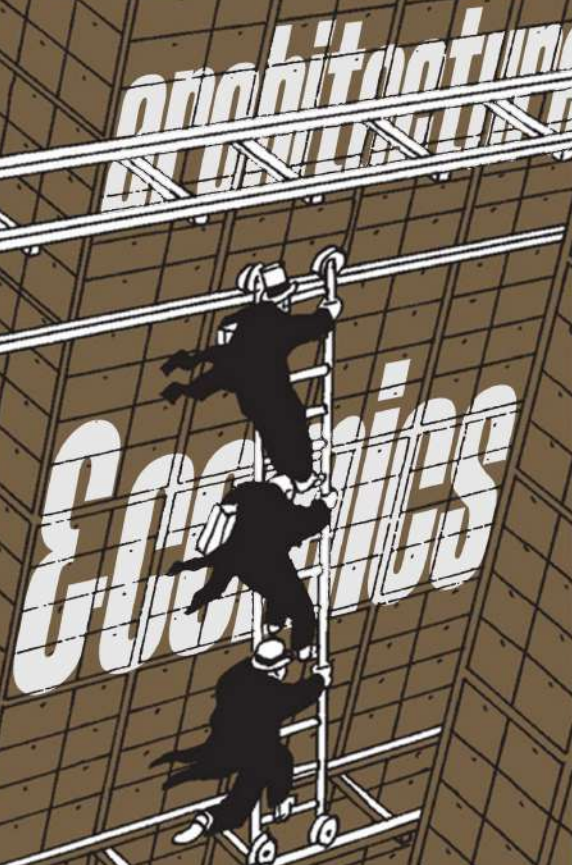

ARC 447

FADA Elective Course

ins. Ali Paşaoğlu

Comics, graphic novels or sequential art is a narrative form which still serves as a medium for experimentation and exploration while increasingly associated with architecture. This course will pursue the narrative potentials of comics in order to create spatial experience. The course will also explore the effect of representation with a durée aspect on architectural design.

ARC 447

I'LL SPARE YOU A VISIT TO THE INVENTORY WINGS; IT'S EVEN MORE BORING.
