

# ARC 415

Capturing the City  
Photography and Urban Space

MEF FADA

Fall 2021-2022

A217 Thursday 14:00-16:50

Metehan Özcan

ozcanmetehan@gmail.com

This course focuses on the relationship between memory and the experience in the city through visual communication. Tension between the online and physical states of the urban space will be the main theme of this course. Discussion and assignments on ways of seeing, being seen, exploring, documenting and representing the tales in the city will be the means.
